Welcome to Feast 2013 and the many changes this
Feast brings. We have our new home, the ANZ Feast
Cluster in the Lion Arts Centre. This is where Feast
first began and it is great to be back. With its long
history of great events and entertainment, the Feast
ANZ Cluster will be a beacon of light during November
for our LGBTIQ community as we showcase our
work for all to see. In 2013 a huge proportion of the
program has been curated so that productions and
events interlink and weave the theme of the festival
Gender - mix it up! - offering style, humour, pathos
and discourse about gender and sexuality through

art. There is a cross-fertilisation of art forms and ideas to encourage debate and discussion without losing the playfulness and fun that Feast is known for.

It is with great joy we welcome **Beccy Cole** as our **Inaugural Feast Ambassador**, to help spread the word wherever she goes as a successful role model for our community nationwide. Beccy is passionate about engaging regional LGBTIQ people as much as us and totally endorses our **Inaugural Queer Youth Regional Outreach and Exchange Project.** This project will see Feast engage with Regional Queer Youth prior to, during and after the festival event. It is hoped that this is the beginning of a long engagement with our regional brothers and sisters.

For the first time we will present our big dance party **BEDLAM**, mixing it up with the best of the best local, national and international DJs.

We bring back the **Gala Ball** for those of you who like to 'trip the light fantastic' and the **Hills Garden Tour** as well as bring you **Sea, River - See Port Adelaide Feast** and other metro

Feast events as part of our movable Feast program. There is an expanded **Feast Film Festival**featuring 20 films never seen in Adelaide before (7 of which are Australian premieres) plus 2 classics, including **Some Like it Hot** which I think totally sums up *Gender - Mix it Up!* It also has one of the best punch lines ever.

We welcome the **Art Gallery of South Australia**, **The State Library, Musica Viva** and **Zephyr Quartet** as strategic partners helping add a touch of elegance and class to our festival. Speaking of class, **Beccy Cole** will star in 2 very different shows, 3 if you count **Barnyard Cabaret** with the irrepressible **Libby O'Donovan. Michael Griffith's IN VOGUE**winner of 5 star reviews at Edinburgh Festival this year will prove a winner as will the whole array of other spectacular acts. Geoffrey Parslow has dished up yet another fabulous visual arts program including works from **Di Barrett, Raymond Zada, lan Willding** and **The Transit Lounge** exhibition to name a few.

**Queer Ideas** will feature forums, introductions and debates including **Walk Like a Man** and **QUEER&A** – *all things gender*, facilitated by ABC Radio National host **Fran Kelly** and featuring an exciting panel of speakers.

Don't forget to pop by each night after work during the festival to enjoy a drink and live music at our **Sunset Soirces** featuring our LGBTIQ local talent. That is just the entrée – check out the program for the full banquet on offer.

I look forward to seeing you at Feast 2013 and hope that you will mix it up whilst mixing in.

Cheers

My

Feast would like to acknowledge this land that we meet on during the Festival is the traditional lands for Kaurna people and that we respect their spiritual relationship with their country. We also acknowledge the Kaurna people as the custodians of the Adelaide region and that their cultural and heritage beliefs are still as important to the living Kaurna people today. Jay Weatherill, Premier

This year's FEAST program provides a mixture of discussions and forums that encourage critical thinking about issues relating to sexual diversity, without losing the sense of entertainment that FFAST has become known for.

FEAST offers all South Australians the opportunity to celebrate the diversity of our civilised, modern

society. FEAST draws upon our traditional love of the Arts to bring people together in a spirit of inclusion.

This year's theme, 'Mix it Up' will explore issues of gender, sexuality, power. government and culture through a range of festive events and discussions.

I encourage all South Australians to participate in FEAST 2013 as an expression of our solidarity in diversity.

Leon Bignell MP, Minister for Tourism

The South Australian Government is proud to support Feast, Adelaide Queer Cultural Festival.

The 2013 event promises to be bigger and better than ever, featuring a stunning program of theatre, cabaret, film, dance, comedy, literature, visual arts, music, community and sporting

Based in a new home, the 'The Feast ANZ Cluster' includes venues such as the Lion Arts Centre, Fowlers Live, Nexus Cabaret, the Mercury Cinema and the University of South Australia.

Held in November, Feast is a stand-out event on Adelaide's year-long cultural and festival calendar which attracts international performers and visitors to our vibrant city and regions.

With a huge array of performances on offer, I encourage everyone to get involved and enjoy this truly diverse and exciting event.

Stephen Yarwood, Lord Mayor

Welcome to the City of Adelaide for the 2013 Feast Festival, which carries the theme 'Gender - Mix it up'.

As Lord Mayor I want to make Adelaide one of the most inclusive, creative cities in the world. Not only is this good for the gay community, it's vital to the competitiveness of our city. The Feast Festival supports this goal absolutely.

This year I'm pleased to see the Feast Festival Hub located in the courtyard of the Lion Arts Centre. This location is at the heart of the West End's arts district and is surrounded by high quality venues.

The Feast Festival encourages every sector of the community to share in a range of artistic experiences. I hope you all get involved and enjoy everything on offer.

Your city loves you... enjoy the party!

Tony Piccolo.

Minister for Communities & Social Inclusion

The South Australian Government remains a supporter of the Feast Festival. This festival is a major cultural event for our state and a great way to acknowledge and promote diversity and social inclusion.

This year, through the Department for Communities and Social Inclusion, the Government has supported

two important Feast programs- a Regional Outreach Exchange Pilot Project and a Oueer Youth Space Project.

These programs are about supporting young people who identify as queer or same sex attracted and their peers to engage in Feast Festival activities in a meaningful way - regardless of whether they live in Adelaide's CBD, the broader metropolitan area or regional South Australia.

Through programs like this we can celebrate our community diversity and promote acceptance regardless of a person's sexual orientation.

Congratulations to the organisers of the 2013 Feast Festival, and I hope you enjoy the great events on offer this year.

It's my absolute pleasure to be a Feast Festival Ambassador. Feast is a celebration of the diversity of queer culture and of all forms of the arts. I am a patriotic South Aussie and come November, I get to go home and burst with pride as I sing, share and swap stories with our beautiful community. I'm passionate about spreading the word on this wonderful event, I want to get our country cousins packing their rainbow flags and heading to town for the party. There is simply nothing as rewarding and exhilarating as performing for a Feast crowd. I even know a girl who fell in love on stage last year...

# **Boston Marriage**

Boston Marriage is a wickedly funny comedy of errors and manners. Set at the turn of the twentieth century but placed in the now through the use of contemporary language for this timeless theme of feminine love.

"Exceptionally clever" The New York Times

Contains sexual references and elegantly phrased coarse language.

Di Barrett utilises an innovative unorthodox approach to the tools and the medium to create a photograph. Her images are re-constituted into arrangements of photographic intensity, heightened by a compositional tension between symmetry and chaos and a content dichotomy that fluctuates between the sacred and the profane.

A work that evolved through the cross generational connection with my adoptive Great, Great Aunt from Australia and me as a little boy from Thailand, I have created new crochet work that is entwined with vintage pieces of hers. #### **Clancy Warner**

As an artist, my work is influenced heavily by facets of nature and indigenous art styles and beliefs. I find inspiration within the natural world, from the materials I use to the forms I create. My current sculptural focus is animal motifs, undoubtedly due to the connection I have had with them throughout my life.

#### Michelle Spudic

I've always enjoyed drawing. Painting such precise work with ink feels like I am drawing with a brush. As my work develops I notice it move into representations of human evolution and the different perspectives on aspects of living. My work as well will continue to evolve. I hope you engage with my art and find a message that means something to you.

It doesn't take long to make and eat a yeast extract spread sandwich. So what is a big nerd to do with the rest of their lunch break at work? Oh yeah. Play with Lego and post photos of it on Instagram.

#### Simon Simonson

Inspired by the experience of Australian Nature these paintings combine rigorous drawing with imaginative spirit, colour, light, and rhythm. They are rendered with oil and charcoal on canvas.

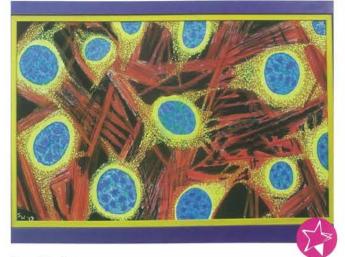

Describing a place and time they also provide a portal to visit our inner selves and personal experience.

#### **Private Dancer - Annette Summers**

My new work this year is titled 'Private Dancer', featuring the amazing transgender women of Kings Cross. Towards the end of the 1970's and into the early 1980's, changes began sweeping through the cabarets and burlesque clubs. Real burlesque was fading out so we ladies became 'Private Dancers' in and around Sydney and beyond.

#### Vito

In the aftermath of Stonewall, a newly politicised Vito Russo found his voice as a gay activist and critic of LGBTIQ representation in the media. He wrote "The Celluloid Closet," the first book to critique Hollywood's portrayals of gays on screen. During the AIDS crisis in the 1980s, Vito became a passionate advocate for justice via the newly formed ACT UP, before his death in 1990.

#### **Valentine Road**

At the height of the bullving scandal that rocked the U.S. in 2008, a 15-yearold boy named Larry King asked another boy to be his valentine in a suburban schoolyard in California. The next day Larry was dead, shot in cold blood by his 14-year-old crush Brandon McInerney, At turns shocking, devastating, and outrageous, VALENTINE ROAD bores deeply into the homophobia, sexism. racism, and class-struggle that inform everyday American life-and reveals an American justice system that is utterly unprepared to deal with the realities of teenage crime and punishment. Directed by first-time feature documentarian Marta Cunningham, VALENTINE ROAD is an unforgettable exposé of society's pervasive and deadly intolerance of young people who don't conform to its gender "norms." # **Inaugural Regional Outreach Exchange Pilot Project**

#### Mount Gambier, Port Lincoln, The Riverland & Whyalla

In 2013 we were successful in gaining a Youth Connect Grant (Minister Communities and Social Inclusion) to set up safe space and programs for regional gueer, same sex attracted and questioning youth in order to provide artistic and cultural activities and to build relationships that may be relevant to young LGBT10 people (as well as the broader community) in order to break down barriers and promote acceptance.

We employed two Youth Project Officers (Edwin and Lucy) who have been busy liaising with regional youth in order to present events in the four regions. These events will be hosted by members of the Feast Youth Committee and involve strategic partners such as Shine, BFriend, Country Arts SA, Riverland Youth Theatre and D'Faces of Art in Whyalla and Ovation Theatre in Mount Gambier. Each program will be initiated, devised and developed through consultation with youth groups, individuals and agencies to ensure the right 'fit' for each particular area.

As an initial entrée into each region in September we toured **Speak Out** to schools and communities in Strathalbyn, Murray Bridge, Mount Gambier, Renmark, Glossip, Waikerie, Loxton, Burra, Whyalla, Port Lincoln and Port Augusta.

Speak Out is a fabulous interactive performance piece, devised by Edwin Kemp Attrill as part of his ActNow Theatre. Edwin is the Artistic Director of ActNow and has employed some of the techniques of Augusto Baol in *Speak Out*. It is a non-threatening, non-didactic, interactive theatre presentation about homophobia.

Check out the show at Feast - 2 performances only. Sunday 17th at 4.30pm & Monday 18th at 6.30pm, Blender Bar Bar, \$10 Door.

#### The Queer Youth Regional **Exchange Program**

If you are over 18 and live in the regions and would like to come to Feast but feel a little shy or don't have the means...then this is for you.

We have set up an exchange program where we will host youth from the regions during the Feast Festival in Adelaide and set up a 'buddy' system in order for you to experience our wonderful festival.

We will provide assistance towards your travel and find you a suitable billet or accommodation (if needed). We will introduce you to other like minded young people and also provide you with tickets to shows and events. Our fabulous Oueer Youth Project Committee will ensure that you feel safe and looked after throughout your time here. They have organised a whole series of youth orientated events in our Queer Youth Space in the Cluster.

You must be over 18 and due to limited numbers will need to apply to be part of the exchange. If you are interested in being part of the exchange please contact either our project officers: Lucy and Edwin (ypo@feast.org.au) or Catherine our Artistic Director (ad@feast.org.au).

\*Note: At the time of printing this guide we were still consulting, if you live in the regions, keep your eyes posted on our Facebook and website and app for updates so you know what will be happening in your area during Feast. Or contact Lucy or Edwin on ypo@feast.org.au

# Queer Youth Drop In

This year we set up the Queer Youth Drop In Space at the City Soul Cafe. It is an alcohol free, LGBTIQ youth friendly space that operates each fortnight. We will continue to run this throughout the year (except during our festival). Head to the Feast Queer Youth Drop in Facebook page for more info.

#### **Feast Festival Queer Youth Space**

During Feast we will set up Youth Spaces in our Feast ANZ Cluster where queer young people can meet, feel safe and comfortable. There will be a series of events in this space throughout the festival. # **Charles Sturt is...** celebrating the Feast Festival.

#### Flying the Rainbow Flag - Celebrating Diversity

After two years of Stephen Yarwood and the Adelaide City Council raising the rainbow flag for Feast we wrote to every Mayor and every municipal council in South Australia inviting them to show their support for LGBTIO people and their families living in their area. We asked them to actively contribute to the health and well being of the whole community by flying the rainbow flag for the duration of our Feast Festival 9-24 November. We saw this as a simple symbolic way in which councils can help celebrate the Feast Festival State wide, as well as publicly acknowledging their council/city's role as a leader in promoting and celebrating diversity.

As of the end of September those councils who will fly the rainbow flag are:

- · Adelaide City Council
- · City of Charles Sturt
- · City of Marion
- · City of Onkaparinga
- · City of Port Adelaide Enfield
- · City of Port Augusta
- · City of Prospect -(flying 3 rainbow flags - St Helens Park, one of Council's premier parks, at 39 Prospect, Road Prospect.)
- · District Council of Mount Barker
- Town of Walkerville (x 2 flags)
- · Town of Gawler
- · City of Unley (x3 flags)

#### We thank you and salute you

Feast Festival has a fresh new feel in 2013. We are moving to a new location. The Feast ANZ Cluster in the Lion Arts Centre Courtyard and also getting back to our roots with the iconic Picnic in the Park going back to the Parklands. We are expanding our metropolitan and regional reach too with new Youth programs and introducing exciting new events like Bedlam, the massive DJ Party.

Once again the exciting changes at Feast for this year's festival have been created through the imagination, business acumen and tenacity of the broad Feast team, including staff, volunteers and board members. As ever we rely on our Sponsors, including ANZ Bank, our

Principal Sponsor, Government sponsors. both state and local, and other businesses who quietly and steadily support Feast over many years. Every year we welcome new sponsors into the mix including Beyondblue, Bulmers Cider, Renewal SA. Port Adelaide Enfield Council and the City of Charles Sturt to name a few this year.

We are also supported by our Feast 500 benefactors and this year have re-branded this program aiming for 500 people to donate whatever they can and to become Feast 500 members in 2013.

This is my final year at Feast, in fact by November I will be rejoining Festival goers enjoving great shows and entertainment

and a few drinks at the har. I have had an incredible time working with this not-for-profit organisation that strives to bring artistic excellence and a significant place for our Community to celebrate who we are every year. The effort required to present a Festival like Feast is huge. It takes all of us, including you who give that support by buying tickets and spending time at The Feast ANZ Cluster and other Feast events. So come out and enjoy what Feast has to offer in 2013.

Thank you once again to the tireless Feast team, the volunteers, the artists, the sponsors, the benefactors and the other businesses that support Feast.
