# A JOINT MESSAGE FROM THE GENERAL MANAGER & PRODUCER OF FEAST FESTIVAL

★★★★★★★★★★★★★  
We are thrilled to bring you this year's Feast packed full of over 70 brilliant queer arts and community events.

This year's emblem is the flamingo. Flamingos are symbols of fun, relaxation and immersing yourself in the company of others. Of course, some are same sex attracted and transgender.

In honour of these wondrous birds we welcome Adelaide Zoo as a partner. Feast Ambassador Gertrude Glossip's Zoo tour is dedicated to Chile, one of the Adelaide Zoo's oldest and most cherished residents and the last Flamingo in captivity in Australia.

We give a heartfelt thank you to all our artists and community groups that have registered to be part of Feast 2018, there would be no Adelaide Queer Cultural Festival without you.

Much time and energy goes into creating Feast each year. We give thanks to our behind the scenes volunteers, board members, State and Local Government funding bodies, Feast's returning and new sponsors and partners, benefactors and audiences.

Huge thanks to everyone who incubated, hatched, fed, nurtured, and supported events in this year's Feast.

Flock along.

Feast Festival

**Margie Fischer**  
Producer,

# A MESSAGE FROM THE PREMIER OF SOUTH AUSTRALIA

★★★★★★★★★★★★★  
Welcome to the 2018 Feast Festival, a program of arts and culture that brings artists and audiences together in a state-wide celebration of diversity.

Feast is small but mighty: last year's festival generated an economic impact of more than \$1 million for the state, with attendances of more than 37,000 over 16 colourful days and nights.

The festival is beloved, not only for entertaining audiences, but for its continued celebration and support of local LGBTIQ culture, and for promoting understanding, diversity and inclusion in the entire community.

Whether you're a festival veteran or a newcomer, a local or a visitor, I hope you take the opportunity to enjoy all that Feast has to offer this year.

**Hon Steven Marshall MP**  
Premier of South Australia

# A MESSAGE FROM THE MINISTER FOR TRADE, TOURISM AND INVESTMENT

★★★★★★★★★★★★★  
Feast Festival is an important annual fixture on the South Australian calendar - a celebration of pride, diversity and artistic creativity. As a proud supporter of inclusion for all, the State Government is delighted to sponsor South Australia's largest LGBTIQ event.

With a terrific program of exciting artists, cultural and community events, Feast offers local and visiting patrons a great platform to experience South Australia. Feast's Opening Night Party remains a program highlight, with sensational performances, live music and hospitality available for guests.

Adelaide is a city to be explored and enjoyed, and events like this add to the overall vibrancy of the CBD in particular. From laneway bars and boutique restaurants featuring premium food and wine, to unspoiled natural beauty found across the State, Adelaide can pique your curiosity, satisfy your hunger and inspire you to discover more.

I congratulate the organisers on another fantastic program and wish the artists, staff, guests and volunteers a truly enjoyable festival. Thank you for joining in on the celebrations and showing your support. I trust that you will have a fantastic time at Feast Festival.

Minister for Trade, Tourism and Investment

### FREEDOM & JOY BERNSTEIN: CHICHESTER PSALMS BEETHOVEN: SYMPHONY NO.9 'CHORAL'

★ ★ ★ ★ ★ ★ ★ ★ ★ ★

"Be embraced, you millions! This kiss is for the whole world!" The Ninth. As we reach 100 years since the 1918 Armistice, Beethoven's immortal appeal for the world to come together as one still needs to be heard. For three long movements the orchestra struggles alone. Then singers and chorus join to create a spine-tingling outpouring of joy, filling the Adelaide Town Hall with hope and light.

Leonard Bernstein famously conducted this symphony on Christmas Day after the fall of the Berlin Wall in 1989, changing Schiller's Ode to Joy ("Freude") into an Ode to Freedom ("Freiheit"). We close off Bernstein's centenary year by celebrating with his popular, idiosyncratic settings of Hebrew psalms. The choir ends by reaffirming "how good and pleasant it is when brothers dwell together in unity."

★★★★★★★★★★

Body image affects many, regardless of sexuality. (Em) bodiment expresses inner body awareness; each person is a uniquely vibrating musical tune. Experience these harmonics through visionary art & the artist's own bio-data generated from self-experimentation with bio-feedback technology, composed into a multi-channel sound-installation. Sacred geometries (including Fibonacci ratios) inherent within the human body reveal a universal divine androgyny, reflecting the authentic Self...Unity.

# FLYING THE RAINBOW FLAG

Feast invited every Mayor and CEO of each municipal council in South Australia to show their support for LGBTIQ people and their families living in their community by flying the rainbow flag for the duration of the Feast Festival, 10<sup>th</sup> Nov – 25<sup>th</sup> Nov 2018.

This initiative actively contributes to the health and well-being of the whole community and is a symbolic way in which councils can help celebrate the Festival state-wide, as well as publicly acknowledging their council's role in promoting and celebrating diversity.

This year we are pleased to announce that we have 21 municipal councils participating. Whilst some municipalities have been prevented from displaying the flag on a flag pole due to local Council policies, they overcame these obstacles by flying or hanging a rainbow flag in the windows of their community centre or library, or by erecting a temporary secondary flag pole for the duration of the Festival.

Feast also asked many local businesses to fly/display the rainbow flag, with many joining the celebration of diversity during the Festival.

AS OF THE END OF JULY THOSE COUNCILS WHO WILL FLY THE RAINBOW FLAG ARE:

*Thank you*

TO ALL MUNICIPAL COUNCILS AND BUSINESSES THAT SUPPORTED CELEBRATING DIVERSITY IN 2018!
