## A MESSAGE FROM THE PRODUCER OF FEAST FESTIVAL

This year's Festival is my last as Producer.

I have been privileged to work with so many wonderful arts workers and communities.

I have loved working with Helen Sheldon and James Landseer. We've laughed and jammed on ideas that became realities. I have needed and appreciated their expertise, creativity and general fabulousness. As well as being colleagues, we are friends.

I am totally happy that Lucy Hackworth is the Feast 2019 Program Coordinator. Lucy's passion for the arts, social justice, the queer and wider community are great assets to Feast.

I'm returning to being a freelance arts worker. I am producing Feast's Opening Night Party and compering the Picnic Dog Show. I'll be in the audience at Feast 2019, which is just where I want to be.

Come out and experience all that is queer arts, culture and community. Put those devices down and get to as many Feast events as you can.

Much love, Margie Fischer

**Margie Fischer**  
Producer, Feast Festival

## A MESSAGE FROM THE CEO & GENERAL MANAGER OF FEAST FESTIVAL

Feast is launching another program of brilliant queer arts and community events. Our flamingo design is back because everyone loved it, but we have lots of new initiatives including month long Pridevember, new hubs and a new free entry scheme for a number of events.

Leaving us in 2019 is Margie Fischer as Feast Producer. I cannot thank her enough for all she has done, but Margie will still be around producing her own events as part of future Feast's.

*A what would I do without you goes to Feast's small mighty team including our interns.*

I thank all the artists, organisations, our new and returning sponsors, our volunteers, board members,

State and local government funding bodies for their belief in the importance of South Australia's Queer Arts & Cultural Festival, lastly but crucial to what we do...our audiences who show their support for Queer Arts and Culture by coming to our events...keep on flocking

**Helen Sheldon**  
CEO & General Manager,  
Feast Festival

## A MESSAGE FROM THE PREMIER OF SOUTH AUSTRALIA

Welcome to the 2019 Feast Festival, a vibrant and diverse program showcasing a variety of South Australian and interstate queer arts and culture.

Now in its 23<sup>rd</sup> year, Feast continues to provide a platform for emerging and established LGBTQIA+ artists and event organisers to showcase their work to audiences from across the nation right here in our great State of South Australia. The importance of Feast is still as strong as it was 23 years ago in continuing to promote understanding, diversity and inclusion across the community.

This year Feast wants you to come and enjoy the

month-long LGBTQIA+ festivities of 'Pridevember', which give everyone the chance to show and support rainbow Pride.

Whether you're a long-time supporter or a new comer, a local or a visitor, I truly hope you take the opportunity to immerse yourself in many of the unique shows and events on offer in this year's Feast Festival program. Happy Feast!

**Hon Steven Marshall MP**  
Premier of South Australia

## A MESSAGE FROM THE MINISTER FOR TRADE, TOURISM AND INVESTMENT

Welcome to South Australia's largest LGBTQIA+ event – a celebration of pride, diversity and artistic creativity.

Feast Festival is an important annual fixture on the South Australian events and festival calendar and one which the State Government is delighted to support.

Since its inception in 1997, the Festival has become a beacon for artistic expression among Australia's diverse social landscape. Last year a terrific program of exciting artists and community events attracted large crowds. This year will be no exception, with sensational performances, live music, visual art and cultural experiences for people to enjoy.

Feast provides a great reason to experience South

Australia. Adelaide has so much to offer and this Festival adds to the overall vibrancy of our wonderful city. We are home to laneway bars and boutique restaurants featuring premium food and wine, as well as the unspoiled natural beauty found throughout the State's regions.

Thank you for joining in on the celebrations and showing your support. I trust that you will have a fantastic time at Feast Festival and enjoy all that South Australia has to offer.

**Hon David Ridgway MLC**  
Minister for Trade, Tourism and Investment

## A MESSAGE FROM THE LORD MAYOR OF ADELAIDE

Get your glitter ready because it's Feast time!

Congratulations to the team on curating a fantastic program of events that gives everyone an opportunity to experience, create and enjoy queer arts culture over two fun-filled weeks.

Festival goers will enjoy a unique experience with a socially diverse and inclusive community, welcoming of people from all walks of life.

The Feast Festival encourages every sector of the community to get involved.

Council is proud to celebrate with the LGBTIQ+ through our continued support with increased sponsorship as part of a new three-year agreement.

I look forward to celebrating inclusivity and diversity this 'Pridevember'.

**Sandy Verschoor**  
Lord Mayor of Adelaide

## A MESSAGE FROM ARTS SOUTH AUSTRALIA

South Australia is truly enriched by the celebration of inclusivity and diversity that the Feast Festival brings each year, showcasing our community's support for LGBTIQ+ artists.

I have been delighted to see Adelaide's queer arts and cultural festival grow each year, presenting more artists, achieving bigger attendances and making a greater economic return to the state.

The new month-long Pridevember festivities have such great variety of work on offer that I'm sure it will be embraced by our local and interstate audiences.

The South Australian Government continues to be a proud supporter of Feast and I look forward to being a part of all of the celebrations along with the thousands of patrons the festival will entice.

Congratulations to the organisers and volunteers for presenting yet another sensational program.

**Jennifer Layther**  
Director, Arts South Australia  
Department of the Premier and Cabinet

## A MESSAGE FROM OUR AMBASSADORS

If anyone is good at a feast it's me! I'm so keen to be an ambassador of this amazing festival.

I bloody love Adelaide. I spent three years on Grindr here and have some interesting stories to tell. It's so good to be back and so wonderful to be supporting a festival that supports the LGBTIQ+ community.

While we have made leaps and bounds over the years we still need events like this to show that we aren't some alien race from planet Glit-onia who are here to corrupt Earth. We are a big community which is growing rapidly and want you to stand with us. Embrace all the colour and extravagance and celebrate what it means to be LGBTIQ+.

I'm putting the ass in ambassador and I'm coming to party, between the hours of 5-9pm as I'm old and my body can't handle things like it used to.

**Christian Hull**

Wow, what an honour it is to be a Feast Ambassador this year. In today's political and social climate, it's important to stop and recognise the important role events like Feast play in our LGBTIQ+ and ally communities.

Even with the incredible strides Australia has taken in progressing LGBTIQ+ rights there are still many challenges that face our communities and until we have equality for all, our united support for one another will continue.

I see huge similarities between sports and the arts, with one major stand-out, camaraderie. Whether you're a player/performer or a spectator/audience member – it's that common love for the event that brings everyone together.

I'm beyond excited that the Adelaide Lightning and Feast will be presenting our Women's Basketball Pride match, which makes being an Ambassador this year all the more important to me.

I hope to see you all at the match and at all the wonderful events that are on offer in this year's Feast Festival.

**Natalie Hurst**  
Adelaide Lightning

**\*Squawk\***

Some of you may be familiar with us, we're a pair of same-sex male flamingo who made international news when we adopted an abandoned egg and raised it as our own at the Royal Zoological Society of Scotland's Edinburgh Zoo a few years ago.

We firmly believe that everyone deserves the right to be loved and that's why we couldn't let that poor egg be neglected. If we didn't act, our little flaminglet wouldn't have become the beautiful Chilean flamingo that we have today.

It's moments like these that remind you why Festivals like Feast are so important, they're about celebrating love, diversity and inclusion, so we urge you to go out and flock to as many events as you possibly can.

Thank you to the Adelaide Zoo and Feast for having us as Ambassadors and if you're ever in the neighbourhood please stop in at the Royal Zoological Society of Scotland's Edinburgh Zoo and say hello.

## QUEER MODDITIES

DANNY JARRATT

Video games create spaces with unlimited ways of playing and representing people. However, heteronormative ideologies persist. When will we have queer main characters in first party titles?

Queer Moddities explores the queer potential of game patching and modification to disrupt and create discourse and representation in popular and heteronormative video games. These modifications create artefacts from a speculative queer universe.

Queer Moddities is projected on the FELT Space gallery window

# FLYING THE RAINBOW FLAG

Every year Feast invites every Mayor and CEO of each municipal council in South Australia to show their support for LGBTIQ people and their families living in their community by flying the rainbow flag for the duration of the Feast Festival, 9<sup>th</sup> Nov – 24<sup>th</sup> Nov 2019. This year Feast also invited all municipal council's to fly the rainbow flag for an entire month to celebrate Feast's new initiative, "Pridevember" – celebrating everything Queer here in South Australia for the entire month of November.

Flying the rainbow flag actively contributes to the health and well-being of the whole community and is a symbolic way in which councils can help celebrate the Festival state-wide, as well as publicly acknowledging their council's role in promoting and celebrating diversity.

This year we are pleased to announce that we have 21 municipal councils participating, some for various days during the Festival, some for the duration of Feast and some for the entire month of November. Whilst some municipalities have been prevented from displaying the flag on a flag pole – due to local Council policies, they overcame these obstacles by flying or hanging a rainbow flag in the windows of their community centre or library, or by erecting a temporary secondary flag pole for the duration of the Festival.

Feast also asked many local businesses to fly/display the rainbow flag to celebrate 'Pridevember' with many joining the celebrations.
