A MESSAGE FROM THE CEO & GENERAL **MANAGER OF** FEAST FESTIVAL

Feast Festival brings together LGBTQIA+ artists and community members to express and celebrate all things queer. And Feast invites everyone in the wider community to join us.

Feast shines a light on our local rainbow communities. This year is no different. Everyone has felt the impact of COVID, and with this in mind, I am heartened by the number of arts and community events that are part of the program. Feast is created by a dedicated and small, team of staff and volunteers; even more so this year.

I sincerely thank everyone who has been a part of putting this year's festival together. Amongst those to thank are all the artists, our creative partners, our new and returning sponsors, every single volunteer including the very supportive board and advisory committees, State and local aovernment funding bodies - you all make Feast happen! I invite you to join me as we celebrate Feast and Pridevember.

Helen Sheldon CEO & General Manager. Feast Festival

A MESSAGE FROM THE CHAIR OF **FEAST FESTIVAL**

2021 has been another challenging year but there is a pot of gold at the end of the Feast rainbow and we can't wait for you to enjoy everything we have planned during Pridevember.

Whether you're queer or not, Feast is accessible to everyone. If you're feeling isolated, it's the perfect time to leave the house. see a show and say hello to someone you don't know.

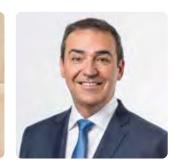

As gay people continue to be persecuted around the world, I feel incredibly lucky to call South Australia home and understand the importance of a festival like Feast to anyone who feels like they don't belong.

As always, our small but dedicated team make magic happen every year and on behalf of the Board I thank them for everything they do.

To our government and corporate partners, thank you for your continued support and for giving us the means to create a festival that allows us to be ourselves and fly our flag with pride.

2

Happy Feast! Adam Gibbons Chair, Feast Board

A MESSAGE FROM THE PREMIER OF **SOUTH AUSTRALIA**

Welcome to the 2021 Feast Festival, a vibrant and diverse program showcasing a variety of South Australian and interstate queer arts and culture during Pridevember!

I am proud to support our local LGBTQIA+ communities and celebrate with them our state's diversity and inclusivity.

Feast continues to provide a platform for emerging and established LGBTOIA+ artists and event organisers to showcase their work to audiences from across the nation, right here in our great State of South Australia.

Whether you're a long-time supporter or a newcomer, I truly hope you take the opportunity to immerse yourself in many of the unique shows and events on offer in this year's Feast Festival program.

Let's all work together to ensure we celebrate as safely as possible and continue the great work our South Australian community has been doing throughout this year.

Happy Feast and Happy Pridevember! Hon Steven Marshall MP Premier of South Australia

A MESSAGE FROM THE LORD MAYOR OF ADELAIDE

The City of Adelaide is Reigniting Adelaide and Feast Festival is the perfect time to get out and celebrate all our city has to offer.

Congratulations to the team on curating a fantastic program of events that gives everyone an opportunity to experience, create and enjoy LGBTQIA+ arts culture over two fun-filled weeks.

Feast Festival encourages every sector of the community to get involved and experience the joy of Feast for themselves.

The City of Adelaide is proud to celebrate our dynamic city culture with the LGBTQIA+ community through our continued support of a multi-year agreement. A city that is welcoming, inclusive and accessible to all creates a place where our communities can thrive. Sandy Verschoor

Lord Mayor of Adelaide

A MESSAGE FROM THE DIRECTOR. **ARTS SOUTH AUSTRALIA**

The Feast Festival is a special part of Adelaide's festival identity. For more than 20 years, Feast has celebrated all that it means to be part of the LGBTQIA+ community in Adelaide.

Even the short sharp lockdown of November 2020 was unable to dampen enthusiasm for the festival. Despite a number of cancellations, there were still 119 events held, attracting more than 17,000 patrons.

Feast changes each year to surprise and entertain us all. This year with the opening planned for Victoria Square for the first time, I am predicting that yet again Feast will transform a part of Adelaide into a rich and diverse centre of queer artistic celebration.

As the Director of Arts South Australia, I am proud of the support given to Feast over a long time and am thrilled to see the organisation continue to prosper and grow as a shining celebration of tolerance and diversity.

Jennifer Layther Director, Arts South Australia Department of the Premier and Cabinet

A MESSAGE FROM **OUR AMBASSADOR**

Being a proud Adnyamathanha, Barngarla and Yankunytjatjara Transgender Yuratu (Black Woman) and a country girl at heart, it is an honour and a privilege to be the Ambassador for the 2021 Feast Queer Arts & Cultural Festival.

Throughout the years the Feast Festival has been a platform for all of the South Australian LGBTQIA+ arts community.

Telling and sharing stories has always been a part of my culture and other Aboriginal and Torres Islanders culture across the country. Working in media I get to showcase incredible Aboriginal and Torres Strait Islander and LGBTQIA+ people every week.

The Feast Festival is one of, if not the most colourful time of the year for all to have some fun, and I'm sure this year's celebration will be just as magical as ever. Love,

Charlotte Feast Ambassador

KATE TOONE **QUEER AND LESBIAN SEX** WORKERS-SEXUALITY. **IDENTITY AND PERFORMANCE**

This exhibition showcases the visual research method used by Kate and the participants in her PhD project. Interested in women who identify as queer or lesbian, who provide sexual services for men, this project asked participants to depict versions of themselves; work, home and play, using collaged paper dolls. The resulting works illuminate the experiences of these women navigating sometimescontradictory identities.

THE BEAUTY OF DIVERSITY

Transgender artist Annette Summers' work is inspired by the trans women she worked with in the cabaret and burlesque clubs of Sydney's Kings Cross during the 1970s. Her pieces depict a hyper real version of the feminine ideal that trans women are often expected to conform to, in order to be accepted by society.

FLYING THE RAINBOW FLAG

Every year Feast invites the Mayor and CEO of each municipal council in South Australia to show their support for LGBTQIA+ people and their families living in their community by flying the rainbow flag for the duration of the Feast Festival, 6 Nov – 28 Nov 2021. This year Feast also invited all municipal councils to fly the rainbow flag for an entire month to celebrate Feast's initiative, "Pridevember" - celebrating everything Queer here in South Australia for the entire month of November.

Flying the rainbow flag actively contributes to the health and well-being of the whole community and is a symbolic way in which councils can help celebrate the Festival state-wide, as well as publicly acknowledging their councils role in promoting and celebrating diversity.

This year we are pleased to announce that we have 26 municipal councils participating, some for various days during the Festival, some for the duration of Feast and some for the entire month of November. Whilst some municipalities have been prevented from displaying the flag on a flag pole, due to local Council policies, they overcame these obstacles by flying or hanging a rainbow flag in the windows of their community centre or library, or by erecting a temporary secondary flag pole for the duration of the Festival.

Feast also asked many local businesses to fly/display the rainbow flag to celebrate 'Pridevember' with many joining the celebrations.

Despite all the challenges of the last year, Feast remains a highlight of the calendar and an important celebration of equality, inclusion and diversity.

We're proud of Labor's legacy of fighting alongside the LGBTIQ community for equality, including:

Marriage equality.

Removing discrimination in parenting law (adoption, IVF and surrogacy).

Recognition and legal protections for LGBTIQ relationships.

Ensuring South Australians can change their legal gender to reflect their true identity.

And we'll keep standing with you in the fights ahead.
