### A MESSAGE FROM THE CEO & GENERAL MANAGER OF FEAST FESTIVAL

25 years and still going strong. How honoured I feel to be part of the team in this significant year.

In March, the Adelaide Festival of Arts, State Opera and Feast saw the fruition of years of commitment, passion and artistic excellence as Watershed: The Death of Dr Duncan had its world premiere as part of Adelaide Festival.

This year's fabulous program features over 100 events, many are favourites, and many are new.

Thank you to all our artists and community groups that are part of Feast 2022, there would be no Festival without you.

The program doesn't happen on its own. I thank our small but mighty team and our volunteers, board members, Ambassadors, government funding bodies, returning and new sponsors and partners.

Happy Birthday to you Feast and I'm as proud as punch to be part of this.

**Helen Sheldon**  
CEO & General Manager,  
Feast Festival

### A MESSAGE FROM THE CHAIR OF FEAST FESTIVAL

Welcome! This year, on Kaurna land, we celebrate Feast with passion for and pride in our extraordinary, inclusive community. Feast is a festival made locally, by and for lesbian, gay, bisexual, transgender, intersex, asexual and queer artists, along with friends, families, colleagues and allies.

As the newly appointed Chair of the Feast Board, I pay tribute to my predecessor Adam Gibbons for steering the festival through Covid. Turbulent times have required great innovation and Adam in collaboration with the Feast Board, Helen Sheldon as General Manager, the staff team, interns and volunteers have ensured Feast is alive and thriving in 2022.

In Feast's 25<sup>th</sup> birthday year, fifty years since the murder of Dr Duncan, we honour decades of queer advocacy in South Australia, from all colours of the rainbow and beyond. We are proud to stand together with you in venues, at events, as a bold, broad, ever-evolving village. See you at Feast!

**Adam Gardnir**  
Chair, Feast Board

### A MESSAGE FROM THE MINISTER FOR ARTS

In its 25<sup>th</sup> year of championing diversity and inclusion, the 2022 Feast Festival has yet again programmed an exciting and engaging month celebrating queer arts and culture during Pridevember.

As Minister for Arts, I am proud to support our LGBTQIA+ communities and value the diversity of arts practice in our State.

This year's Feast Festival includes a number of special events and Feast Hubs welcoming everyone to join in and to be a part of the celebration. Feast is a platform for LGBTQIA+ communities to have a voice that enriches the lives of South Australians and beyond. We value the arts in South Australia with Feast Festival providing a place for South Australians to discover a wide range of shows and events presented by our talented LGBTQIA+ artists across the State.

**Hon Andrea Michaels MP**  
Minister for Arts

### A MESSAGE FROM THE CEO OF THE CITY OF ADELAIDE

Congratulations to Feast Festival on 25 years of celebrating and showcasing our diverse LGBTQIA+ community.

This milestone represents a sustained and significant contribution by successive Festival teams and community members to fostering a safer, more inclusive and joyful society through creative expression, conversation, reflection and connection.

The City of Adelaide and the Adelaide Economic Development Agency are proud to support the Feast Festival to deliver another dazzling program of events this Pridevember with even more to explore and enjoy across our city venues and our beautiful Park Lands, including the much-loved Picnic in the Park.

Feast Festival is a time when everyone can shine and there's no better place to come together and celebrate than in Adelaide, designed for life.

**Clare Mockler**  
CEO - City of Adelaide

### A MESSAGE FROM OUR AMBASSADOR

As a late blooming queer woman Feast Festival has held my hand through many transitions. From being a closeted ally befriended by those who knew me better than I knew myself, to eventually coming out to my family and friends, producing events in support of our ATSI LGBTQIA+ community, this being my 8<sup>th</sup> year involved in the festival.

I am proudly now honoured with the role of Feast Ambassador after being named NAIDOC LGBTQI+ Person of the Year!

I wish for each of you, on this fabulous 25<sup>th</sup> Feast Birthday Celebration that you too feel the support of the Community as I extend my friendship to you. Wherever you are in your evolution, I look forward to getting to know you as we celebrate our beautiful diversity.

**Belinda McKeown**  
Feast Ambassador

### A MESSAGE FROM OUR AMBASSADOR

Hello and Welcome to Feast's 25<sup>th</sup> Birthday Party!

I'm Calamity Tash and I can't wait to celebrate Pridevember with you! I'm a local Artist, most passionate about accessibility and inclusivity towards art and creative expression.

I have been an enthusiastic Feast Festival attendee from the day I first locked eyes on their queer arts program in a local shop window. As a teenager, I was awed to discover a community of people I felt at home with. Welcomed by.

That enthusiasm has evolved into being an active contributor in Feast programs and events. I can't wait for our annual picnic when I get to showcase my unique handmade wearing art to you all. I believe EVERYONE should sparkle!

I'm so stoked and honoured to be included as an ambassador for Feast Festival's 25<sup>th</sup> year celebrating the local queer community, and can't wait to share this experience with y'all! Tash xx

**Calamity Tash**  
Feast Ambassador

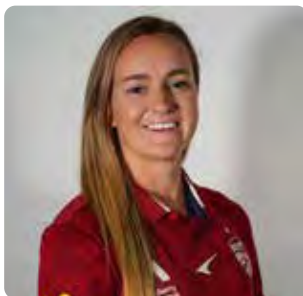

## A MESSAGE FROM OUR AMBASSADOR

It's time! I've been looking forward to the honour of Feast Ambassadorship since my creator Will Sergeant had the honour in 2018.

It's been a delight to conduct rainbow history walks at every Feast. It will be particularly so in this 25<sup>th</sup> anniversary year. Congratulations Feast on your Silver Jubilee. Will and I are ardent believers in public rainbow manifestations. Feast and Pridevember are exemplars, celebrations of diversity and inclusivity.

This year we remember the gay-bashing drowning of Dr Duncan 50 years ago. How fitting that Feast was a driving force behind the creation of the masterpiece 'Watershed: The Death of Dr Duncan', which premiered at Adelaide Festival in March. It was a festival highlight. How far we've come in 50 years, as manifest in changes in laws and social attitudes. We also remember the election of the progressive Whitlam Labor government 50 years ago. It lay the groundwork for so much social change.

**Dr Gertrude Glossip**  
Feast Ambassador

## A MESSAGE FROM OUR AMBASSADOR

As a proud LGBTQI+ member, I can't wait to see our beautiful community come together to celebrate the diversity and inclusions of all people. We have two important milestones to be proud of this year: 25 years of Feast Festival and five years of the Marriage Equality Bill.

I am so lucky and so proud to call South Australia my home. This state embraces change and knows how to throw a party to celebrate.

I am absolutely honoured to be a 2022 Ambassador for Feast Festival and can't wait to see anyone and everyone from all walks of life enjoying Pridevember.

The new LGBTQI+ Persons in Sport Panel will be a highlight for me along with the move of Picnic in the Park to Rundle Park.

Happy Feast. See you there!

**Isabel Hodgson**  
Feast Ambassador

THE UNIVERSITY  
of ADELAIDE

# Commemoration

Marking the continued resting place of  
Dr George Ian Ogilvie Duncan

Dr George Ian Ogilvie Duncan (1930 - 1972) was a lecturer in law at the University of Adelaide who drowned after being thrown into the River Torrens, allegedly by a group of police officers. Public outrage at his death triggered major law reform, resulting in South Australia becoming the first Australian jurisdiction to decriminalise male homosexual acts.

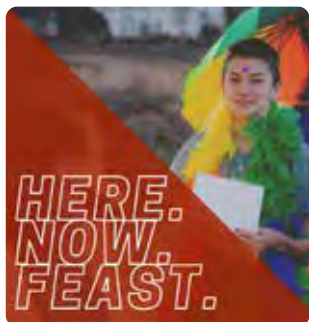

With Dr Duncan having no surviving family, the University has made a significant investment in maintaining his interment at Centennial Park. We invite you to join us in commemorating this, and his important legacy.

## FLYING THE RAINBOW FLAG

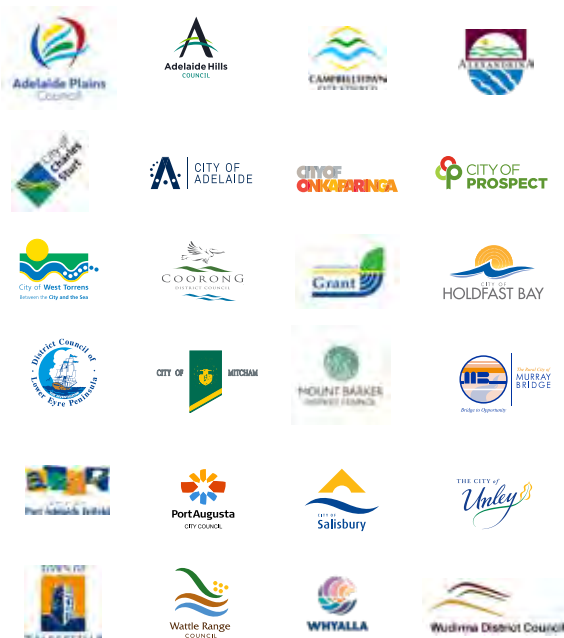

Every year Feast invites the Mayor and CEO of each municipal council in South Australia to show their support for LGBTQIA+ people and their families living in their community by flying the rainbow flag for the duration of the Feast Festival, 5 Nov – 27 Nov 2022.

This year Feast also invited numerous high schools from around South Australia to also fly the rainbow flag for an entire month to celebrate Feast's initiative, "Pridevember" – celebrating everything Queer here in South Australia for the entire month of November.

Flying the rainbow flag actively contributes to the health and well-being of the whole community and is a symbolic way in which councils can help celebrate the Festival state-wide, as well as publicly acknowledging their councils role in promoting and celebrating diversity. This year we are pleased to announce that we have 24 municipal councils participating and 4 High Schools, some for various days during the Festival, some for the duration of Feast and some for the entire month of November.

Whilst some municipalities have been prevented from displaying the flag on a flag pole, due to local Council policies, they overcame these obstacles by flying or hanging a rainbow flag in the windows of their community centre or library, or by erecting a temporary secondary flag pole for the duration of the Festival. Feast also asked many local businesses to fly/display the rainbow flag to celebrate 'Pridevember' with many joining the celebrations
